

School Summer Fair

23rd June 3.30pm - 5.30pm

Please save the date and look out for the flyer.

Jars for the Jarbola will be required so please

think about

contributing. The

PTA desperately

needs volunteers and

new members if it is

to be sustained and

this is a good

opportunity to offer

your support via the

school office.

Garden Festival

8th & 9th July

This year, Trawden School intend to get fully

involved in the Garden Festival. Each class will

be making a scarecrow and we will also be

encouraging as many children as possible to

enter the 'unusual planter' category in the

competition.

'Unusual Planter' Workshop

Please sign up for this workshop as soon as

possible (letter to follow). We would like as

many children as possible to come along and

plant up their pots

under supervision. We

will then nurture

these pots in school in

order to have them

ready for display in

the school grounds on

the weekend of the

Garden Festival.

Parental Feedback

Thank you for your feedback on the questionnaires. The website's news/events are now updated on a regular basis in light of your comments.

Book— 'bucket list'

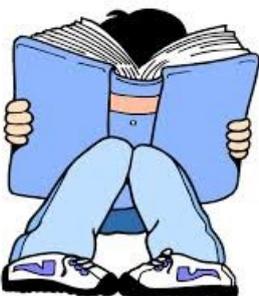

As part of our ongoing review of the school's curriculum, we have decided to implement a book 'bucket list' for each class. This will be a list of recommended books which the children will be encouraged to read and enjoy during their time in that class. In order to get a good range of texts and styles, we are looking for suggestions from parents. What did you enjoy at that age and what high quality books have you shared with your children? The lists will then be published on the website and multiple copies purchased for

each class. Please fill in any

suggestions on the slip attached and

return these to the class teacher.

Thank you.

Consultation

Please visit the website* if you wish to have your say on the Behaviour Policy and the Sex and Relationship Policy. Comments should be emailed to bursar@trawden.lancs.sch.uk.

Year 3/4 Trips

This week both Year 3 and Year 4 enjoyed their trips to Ribchester Roman Museum.

They were engaged in their learning and came away with a greater knowledge of the Roman era.

Patrick, the Curator, was really impressed with their knowledge.

The children visited the Museum, Granaries, Bath House and the Park.

Lots of photos were taken on the days and have been uploaded onto the school website.
