

Stay Safe

Please avoid knocking on the doors of strangers or elderly/disabled people this Halloween. Take care with bonfires and fireworks too. These should only be handled by adults. But most of all, have a great holiday!

Homework

MyMaths

Please download the Puffin Academy App to allow you to access the MyMaths homework on Apple/Android devices.

English Glossary

Staff are creating a booklet for use by parents which will explain the terminology used in each year group. This should help you in supporting your child at home and will be available on the website. Should you require a paper copy, please let your child's class teacher know.

Parent's Evening

Thank you to all who attended the Parent's Evening. Feedback suggests that these went well and parents felt they were helped to understand their child's attainment and progress. Parents also felt that they knew better what to do to support their child at home. We have taken note of the sessions requested by parents and will let you know shortly which workshops will be running next term.

Clubs

In order to improve communication with regard to clubs, we have amended our policy and will try to avoid cancelling any school run clubs henceforth. Staff have agreed to cover for absent colleagues. Should it be necessary to cancel, we will let parents know by letter with 48 hours notice.

PTA Events

Advent Fair

18th November 6.00-7.30pm

Craft stalls, Christmas raffle and mulled wine in the KS2 Hall.

Anyone wishing to run a stall should speak to Ann Holmes or leave a message at the school office.

Tickets £2.00 Family ticket £5.00

Parking

A huge thankyou for adapting to using the new footpath and parking outside the car park. This has reduced the risk of an incident considerably, particularly at this time of year when it can be dark at drop-off and pick-up times. There have been no complaints from residents about parking on Dean Street, although I would ask that you please avoid blocking access to the driveways opposite the school playground.
