

## Have a Lovely Half Term Break

School re-opens on **Tuesday  
6th June**. NOT on Monday,  
which is a staff training day.

## Reminders

### Weather

Please remember sun-cream, Sun hats and water bottles.

### Swimming - Yr3

Swimming continues after the break on the first Wednesday back.

### Head- Lice

To avoid the spread of head-lice, please ensure that long hair is tied up in a bobble and checked regularly.

### Clubs

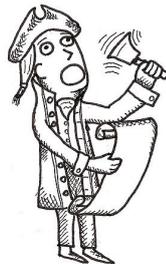

School run clubs resume on the second week back after the holiday. This does not affect 'After School Club'.

### Outdoor Club

This will resume on the week beginning 12.6.17. Letters will be sent out after the half-term break.

## Trawden Forest Community Newsletter

A new community newsletter is going to be published termly. The children have been asked to design a suitable logo for this newsletter and we are therefore holding a competition. The winning entry will be used as the logo and the child named on the first edition. A certificate and small prize will also be given in assembly. Entries should be submitted on A4 paper, may be in colour, may be computer generated or hand drawn, must be named and should be handed to class teachers by 9th June.

## Massed Choir

Some of the children in Years 4 and 5 have been practising for a massed choir performance called 'Rainbows' at Colne Municipal Hall on Saturday 17th June. Tickets are now available from the school office at £4.50 each (£2.50 concessions). Anyone is welcome to attend.

Parents of children performing will receive a separate letter.

## Summer Fair 23rd June

You should have received a letter from the PTA regarding the Summer Fair. This is a popular and well attended event but requires significant organisation and man power. Please come along to the next meeting **19th June** to help organise the stalls. Any other donations of prizes should be brought in by 19th June.

Many thanks for your continued support.

## Trawden Beer Festival

Our sincere thanks go to the Trawden Beer Festival committee who kindly donated £300 to the school following their recent highly successful event. This will be used to purchase books to top up the library where there are gaps in banded reading books. In this way the community is investing in its own future.

## Book bucket list

The school is currently compiling a book 'bucket list' which will result in each class having a list of 10 'must read' books which children will be encouraged to read while in that class. We are still open to suggestions from parents but these need to be given to class teachers by 9th June.
