### CLASS TRIP

I am pleased that I have been able to book an incredible class trip to the East Lancs Railway on Thursday 26th September. The children will experience being evacuated for the day (on a vintage steam train) and take part in various hands-on workshops to find out more about life of a child during the war years.

Geography-using maps, atlases and globes.

Art and Design-developing skills in sketching, faces and people in action.

Science-Electricity and circuits, buzzers and switches.

French-Core vocabulary

Computing-Digital electronic composition, linked to the 1940s era.

RE-Christianity and the church.

Music– Songs from the 1940s era.

PSHE-Mental health and wellbeing– developing positive strategies.

### English

Our class novel is Goodnight Mr Tom: a story based on the life experience of a boy who was evacuated during the war. I would like to show the children the film alongside the book, it is a PG. Please let me know if you would like to view this in advance.

Children will be reviewing and writing lyrics and poetry, writing diaries in character and a short story based on the War. They will also be practising their personal spelling lists, suffix and prefix rules and common exception words from the Year 5-6 statutory list.

### Maths...

This half term, children will be developing their fluency and solving problems relating to place value, comparing and rounding numbers, addition and subtraction, multiplication and division, factors, multiples, prime numbers, square and cube numbers.

## Teacher's Corner

In grammar, what's the difference between active and passive voice?

**Active voice:** the **subject** comes before the verb eg The **girl** kicked the ball.

**Passive voice:** the **subject** comes after the verb eg The ball was kicked by the **girl**.

**Did you know?**

**According to the NHS, children aged 10-11 years need about 10 hours of unbroken sleep per night in order to be healthy.**
